Memorial presented by the inhabitants of the Kadry and Bendoor Village, Mangalore Town, South Kanara District.

Respectfully Sheweth,

That Memorialists learn with great regret that the Western portion of the Maidan adjoining the Kadri Municipal well and opposite the Mercara Hill has been proposed by Government to be utilised for a travellers' Bungalow.

2. That there is no open space of ground whatsoever for memorialists within the Municipal limits at a convenient distance except the said Maidan to serve as a recreation ground for them and as a play ground for students.

3. That in the Kadry and Bendoor village, Congestion has increased to such an extent and the town has become so very unhealthy that almost all the infectious diseases such as plague, influenza, Small-pox and cholera are infecting the town throughout the year, so that Memorialists are in great need of open spaces of ground for recreation purposes.

4. That the said portion of the Maidan is the only playground available for the students of the Bendoor Church School and the Nati-

it has been used also by them as such up to this time.

5. That as the said Maidan forms a low ground, Petitioners beg to submit that the Europeans and the other well-to-do travellers for whom the traveller's Bungalow is designed will never go in for it, if it is constructed in thesaid Maidan.

6. That the Panthur hill which lies at a much higher level and healthier place than the said Maidan which is only about two furlongs distant from it, serves as a far more suitable site for a travellers' Bungalow.

7. Memorialists therefore pray that the Government may, on a kind consideration of the above facts be pleased to order the said Maidan to be reserved as before for recreation purposes for them and as a play ground for students.
